2007 – 2009 MAZDASPEED 3 Reverse Lock Out Gate Guard Installation Instructions

What you will need:

- You hands
- Philips head screw driver

1. Remove the shift knob by turning it counter clockwise.

2. Loosen the shift boot portion of the console by crabbing it under the edge of the silver trim ring and pulling up.

3. Fully engage the emergency brake, open the lid of the console and pull up on the rear portion of the cup holder section of the console.

4. Remove the cup holder and shift boot portion of the console together or separately if they've come apart in two pieces.

5. Place the two Philips head screws through the holes in the gate guard and lower it in to place just to the driver's side of the shifter.

- Using a Philips head screw driver tighten each of the screws to secure the gate guard in place.

- Reinstall the center section of the console and the shift knob.

Congratulations!! You've now completed the installation of your new JBR Reverse Lock Out Gate Guard!

Thank you for purchasing from James Barone Racing!
